

This form may be used to report a late independent expenditure. This form must be filed by fax, telegram, guaranteed overnight delivery, or personal delivery. **Regular mail may not be used.** State law or local ordinance also may require this form to be filed electronically.

Any committee that makes independent expenditures totaling \$1,000 or more to support or oppose a **single** candidate or a **single** ballot measure during the 16 days immediately prior to the candidate or measure's election must file a late independent expenditure report. (Gov. Code section 85501 prohibits a candidate's controlled committee from making an independent expenditure to support or oppose another candidate.)

What is an "Independent Expenditure?"

An "independent expenditure" is an expenditure made in connection with a communication (e.g., a billboard, advertisement, mailing) that expressly advocates the nomination, election, or defeat of a clearly identified candidate, or the qualification, passage, or defeat of a clearly identified measure, or taken as a whole and in context, unambiguously urges a particular result in an election but which is not made to—or at the behest of—the affected candidate or committee.

Where to File:

File with the filing officer(s) who would receive campaign statements if you were a committee primarily formed to support or oppose the candidate or measure.

When to File:

File **within 24 hours** of making the independent expenditure(s) and each time \$1,000 or more is

spent to support or oppose a single candidate or measure during the 16 days immediately prior to the candidate or measure's election.

How to Complete:

Report Number. Assign a unique identifying number to each late independent expenditure report you file. You may use any number (such as 1, 2, 3, PR-1, PR-2, PR-3, etc.) and the report numbers do not have to be sequential.

Amendment. To amend a late independent expenditure report, assign a new unique identifying number as the Report Number, check the Amendment box, and enter the identifying number of the report you are amending. (Committees filing electronically with the Secretary of State: Use the filing number assigned by Cal-ACCESS.) Describe the amendment in the space provided at the bottom of the form.

Part 1. Candidate or Measure. Identify the candidate or ballot measure supported or opposed. Be sure to include the candidate's district number (if any) or the letter or number of the ballot measure. Use a separate form for each candidate or measure. (Example: A committee makes an independent expenditure by running an advertisement opposing two candidates. The ad costs \$4,000 and features the candidates equally. The committee must file a separate late independent expenditure report for each candidate and disclose \$2,000 for each candidate.)

Part 2. Independent Expenditures. Provide the date, amount and a description of the independent expenditure made (e.g., radio advertisement, billboard, mailing).

Part 3. Contributions Received. Disclose contributions of \$100 or more received after the closing date of your last campaign statement (Form 450 or 460) through the date of the independent expenditure. If no previous campaign statement has been filed, disclose contributions of \$100 or more received since January 1 of the current calendar year.

Disclose the name and address of the contributor and, if the contributor is an individual, his or her occupation and the name of his or her employer. If the contributor is self-employed, disclose the name of the business. Also disclose the date and amount of the contribution, the contributor code, and type of contribution. Enter the interest rate if the contribution is a loan.

Once you have disclosed a contribution on this form (Form 496), it is not necessary to report that contribution on any additional Form 496 filings you make during the late reporting period.

NOTE: Both Late independent expenditures made and contributions received must also be reported on the next regular campaign statement you file. In addition, a Supplemental Independent Expenditure Report (Form 465) must be filed.

This form was prepared by the Fair Political Practices Commission (FPPC). For detailed information on campaign reporting requirements and the Information Practices Act of 1977, see the [FPPC Campaign Disclosure Manual](#) for your type of committee (available from your filing officer or the FPPC). Campaign filing deadlines, forms, and other informational materials are available on the FPPC website (www.fppc.ca.gov).
